PARADE WITH PURPOSE

WHAT IS DANCERS AGAINST CANCER?

Dancers Against Cancer is an official 501(c)(3) non-profit organization that unites the dance community to provide financial aid, resources, and emotional support to dancers, dance educators, choreographers, and their families impacted by cancer.

Dance the Magic is proud to partner with Dancers Against Cancer to bring awareness, inspire hope, and make a meaningful difference in the lives of those in our dance community impacted by cancer. Through this special partnership, we unite our love of dance with a powerful purpose, raising support for dancers and their families during life's most challenging moments. Every donation helps provide crucial assistance, encouragement, and hope to those who need it most. Together, we can turn our passion for dance into a powerful force for good and make a lasting impact—one dancer, one story, and one act of kindness at a time.

Meet Layla!

Layla is a cancer survivor and a shining example of strength, courage, and hope. Joining us in Hawaii as a Hope Dancer, she inspires everyone around her to keep fighting, never give up, and believe in the power of hope.

FAQ'S
JULY 8-11, 2027

GENERAL FAQ'S

Who should I contact if I have questions?
In order to have a seamless event, Dance the Magic will be working with **one** main point of contact from the studio to organize and execute the event details. All event inquiries and pricing questions from parents will be redirected to the studio's main point of contact. Parents will receive limited communication from Dance the Magic, including, but not limited to, tech support and payment reminders.

What are the age requirements for these performances at the Disneyland Resort?
All Dancers must be **7 by January 1, 2027** for the Summer Dance Classic performances at *Disneyland*® Park. This is a *Disneyland*® Resort policy, and unfortunately we are not able to make exceptions regardless of talent level.

When should we receive the Final Timeline?
The Final Timeline will be released approximately 10-14 days prior to the event. All times and locations are subject to change leading up to the event.

Will dancers have time to play in the Disney Parks?
While there will be some free time, the main focus of the weekend is the Dance the Magic experience. Our advice to families is to extend their trip after to ensure they have plenty of time to enjoy their family vacation at the *Happiest Place on Earth*®.

What happens in the event of inclement weather?
The safety of the performers is our number one concern. If rain is projected, the Parade may start early or start later in an effort to avoid the storm. If the rain is light, we will proceed with the performance modified for safety. If the weather is too severe, unfortunately the parade will be cancelled on account of safety. In the event of a cancellation, there are no refunds.
